- a) Mary reviewed the six reconsideration forms received from resident, Christine Carr. Per policy, Mary reviewed the titles. All 6 titles are slated to be moved to the adult department as part of the most recent Administrative Code change. That change goes into effect on February 14th, 2026. After review, Mary determined that relocating the materials as soon as possible is appropriate rather than delaying action until the effective date of the rule. As part of the Reconsideration Policy, patrons are only allowed to make five requests in a three-month period. However, it was determined that since all six were slated to be moved, that all six titles could be addressed at once. Mary will notify Ms. Carr via email and postal service of the decision. Mary shared the text of the proposed letter with the board.

Amy moved that the response be approved as written and presented to the board to be sent to Ms. Carr by the due date of February 11, 2026. Gerren seconded the motion. Motion passed unanimously.

There being no further business to bring before the board, Gerren moved that the meeting be adjourned at 6:19 pm. Amy seconded the motion. Motion passed unanimously.
