

PELHAM BEAUTIFICATION MEETING – MAY 29, 2007

The Pelham Beautification Board met on May 29th with the following in attendance – Mike, Faye, Donna, Betsy, Cheryl and Mary Lou.

The residential award went to Steven & Julie Wiles at 315 Hidden Creek Trail and the business award went to Southland Log Homes.

Our July meeting will be held at a restaurant or at the Pelham Racquet Club on July 19th.

Median project – no Knock Out Roses to be planted only plants that are 11-24 inches high. Vestavia has a long median – crepe myrtles 150 feet from crossover.

Pelham Pride Day – make improvements for next year. Cheryl wrote thank you notes to all who donated prizes. Notification to groups earlier next year – Ran out of x-large tee shirts – Plenty of food, drinks and prizes – didn't like the big grill. Collected 295 bag – reported to state that we had 208 people.

Respectfully submitted,

Mary Lou Elward
